PUBLIC PARTICIPATION PERIOD EXTENSION 2021-2022

Metsimaholo Local Municipality Integrated Development Plan

Section 29 (1) (b) (i) and (ii) of the Municipal Systems Act, 2000 requires that the local community be consulted on its development needs and priorities, and to participate in the drafting of the Integrated Development Plan (IDP).

Council of Metsimaholo has resolved that during January 2021, the municipality will conduct IDP Public engagements with communities to ensure its planning is aligned to community needs and prepares a budget accordingly.

Due to Covid-19 regulations and the restrictions placed on public gatherings, Metsimaholo has initiated a different approach to public participation, alternative to face-to-face meetings, as a means of collecting community needs.

The community is therefore informed that the public participation period of the 2021-2022 IDP has been extended to Monday, 15th of March 2021. Your involvement in the development of the IDP is crucial to proper planning and budget allocation and therefore we invite you to have your say in the development of your community.

The community needs assessment form, attached to this page, has been designed to allow you to share your top 5 community needs. Please fill out the forms and submit via sello.mokoena@metsimaholo.gov.za email moses.mongale@metsimaholo.gov.za at sello.mokoena@metsimaholo.gov.za Soft copies of the forms are available on the municipal website. **All inputs must be submitted by 15th March 2021.**
