FALSE INFORMATION ABOUT SITE SALES IN WONDERFONTEIN

The Metsimaholo Local Municipality is aware of rumours circulating that sites in Wonderfontein are being sold or allocated. This information is false and has no basis in truth. The Municipality categorically states that no sites in Wonderfontein are currently being sold or allocated by the Municipality or any authorized party.

We urge residents to disregard such misleading claims and to remain vigilant against scams or unauthorized activities. The Municipality will always communicate any official site sales, allocations, or developments through the proper channels, including:

- The official Metsimaholo Local Municipality website
- Recognized and credible newspapers
- Public notices on municipal platforms

The Municipality prioritizes transparency and accountability in all its dealings. Residents are encouraged to verify any claims or announcements directly with the Municipality to avoid falling victim to misinformation or fraudulent schemes.

Let us work together to prevent the spread of false information and ensure the integrity of our community's development processes.
