PLANNED ELECTRICITY OUTAGE FOR DENEYSVILLE RESIDENTS

Metsimaholo Local Municipality informs residents of Deneysville of a planned electricity outage scheduled for **Wednesday, 20 November 2024, from 08:00 to 17:00**. This interruption is necessary to complete essential tree-cutting work to maintain the safety of power lines and reduce the risk of future outages caused by falling branches and vegetation.

We appreciate your patience and understanding as we work to ensure a more reliable electricity supply for our community.
