Prolonged Electricity Outage Affecting Henley and West Street Residents

Dear Residents of Henley and West Street,

Metsimaholo Local Municipality regrets to inform you that the electricity supply to your area remains interrupted due to a burnt jumper on the High-Tension (HT) line. Our electrician is currently en route to Deneysville with a cherry picker to assist in reconnecting the burnt jumper. We will provide further updates on the restoration of power.

Thank you for your continued patience and understanding.
