Update on Electricity Restoration in Thubelicha Ward 9

Residents of Thubelicha Ward 9,

Metsimaholo Local Municipality acknowledges the inconvenience caused by the ongoing electricity outage and appreciates your patience during this time. We are actively working to restore power, and we have appointed a service provider to assist with the repairs. However, due to prior commitments with other municipalities and challenging weather conditions, the restoration work will only commence tomorrow morning. We sincerely regret any disruption this may cause and assure you that every effort is being made to resolve the issue as quickly as possible.

Thank you for your understanding and cooperation. Further updates will be communicated as the situation progresses.
