Unplanned Electricity Outage in Proteem – Immediate Attention Underway

Metsimaholo Local Municipality regrets to inform residents of Proteem about an unexpected electricity outage currently affecting half of the area. The outage is due to a cable fault at Mini-Sub 17. We sincerely apologize for the inconvenience this has caused and assure residents that our Electrical Department is working diligently to resolve the issue and restore power as quickly and safely as possible.

The fault has already been identified, and the Municipality has initiated a procurement process to appoint a service provider who will assist in repairing the damage and restoring electricity to the affected parts of Proteem. This process is being treated as a matter of urgency to minimize prolonged disruption.

We are committed to keeping our residents informed and will continue to share regular updates through our official website and social media channels. We appreciate your patience, understanding, and cooperation during this time as we work toward a speedy resolution.
