WATER OUTAGE AT CORNER OF JAN HAAK AND JUPITER STREETS, NALEDI PARK

Metsimaholo Local Municipality wishes to inform the residents of Naledi Park, particularly those residing near the corner of Jan Haak and Jupiter Streets, of a water outage currently affecting the area. The Municipality is fully aware of the disruption and sincerely apologises for the inconvenience this has caused to the affected households.

Our technical services team has investigated the matter and identified the cause of the outage. The Municipality has already initiated procurement processes to secure the necessary materials and services required to carry out the urgent repairs. These efforts are being expedited to ensure that the water supply is restored as soon as possible.

We understand the critical importance of water in daily life and assure residents that every effort is being made to resolve the situation promptly and efficiently. Further updates will be communicated as the repair work progresses.

We appreciate your patience and cooperation during this time and encourage residents to use water sparingly from alternative sources while the repairs are underway.
